

The sacred taiko drum is said to have been introduced to Japan from China in the 5th and 6th centuries. The powerful drumming was historically used in warfare, religious ceremonies, Noh and Kabuki theatre, and is now popularly used in celebrations by thousands of taiko groups worldwide. This year's Northern California Cherry Blossom Festival will be held on 04/14/18 - 04/15/18 and 04/21/18 - 04/22/18, in San Francisco's Japantown. WEATHER OF CONCERN

Weather of Concern

- · A storm system will bring snow to the Sierra tonight through Monday night.
 - Snow levels will start at 5,000 feet and drop to 3,000 feet by Monday.
 - · Expect chain controls, travel delays, and strong wind gusts.
- Dry fuels, strong winds, and low relative humidity bring elevated fire danger to the Lower Colorado River Valley through Monday evening.

WEATHER SYNOPSIS BY REGION

NORTHERN CALIFORNIA

The initial band of rain is now expected to move onshore early today, and spread to a Klamath Falls-Burney-Willows-Santa Rosa line by late morning. Snow levels will be around 6,000 feet on the leading edge of the precipitation and 4,000 feet in far NW CA. The rain and mountain snow will continue to spread east and south later on today, and showers are expected in most areas throughout the day on Monday, with snow levels 2,000-3,000 ft.

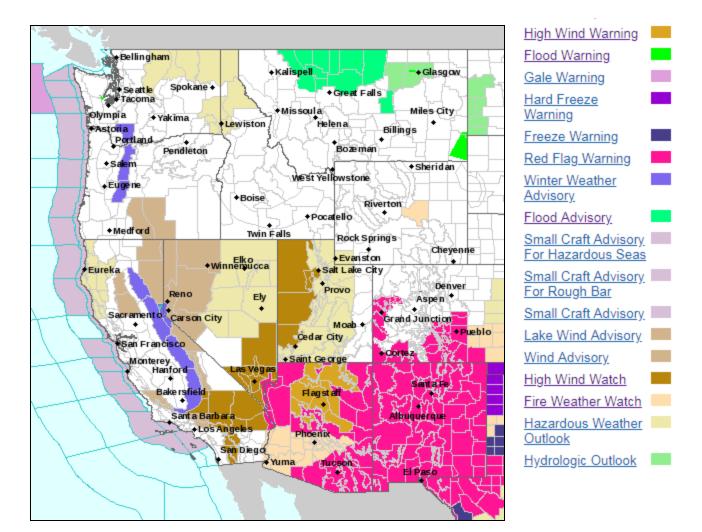

After a dry and partly cloudy day on Tuesday a lighter system will move through late Wednesday and Thursday with light rain.

SOUTHERN CALIFORNIA

A trough will arrive today and Monday, resulting in gusty winds up to 45 mph in the desert along with light rain over the central coast and Sierras. Temperatures will drop back into the 50s in the mountains to the lower 70s in the valleys early this week before temperatures warm back into the 80s at lower elevations by Wednesday. Gusty north winds in Santa Barbara County and the I-5 Corridor are likely Tuesday night. A stronger system may bring light wetting rain to Central CA by Thursday with cooler temperatures and gusty winds elsewhere.

WEATHER MAP

Cal OES LAW ENFORCEMENT MISSIONS

Ongoing Cal OES Law Missions

- 2018-LAW-46205, 04/13/18, 1555 hours: Napa County Sheriff's Office requested a Law Enforcement (LE) Cadaver K-9 to assist with a search warrant for a missing person/homicide investigation for the Napa City Police Department. During the investigation, the missing person's vehicle was located in El Dorado County. El Dorado County Sheriff's Office requested 6 Cadaver K-9s to search the area where the vehicle was located. The request was for one operation period for Saturday, 04/14/18. At 1705 hours, Napa County cancelled the request for the LE Cadaver K-9. The state K-9 Coordinator was able to secure the 6 K-9s for El Dorado County. Mission Ongoing.
- 2018-LAW-46195, 04/13/18, 1230 hours: Orange County Sheriff's Department (OCSD) requested resources via the Region I Mutual Aid Coordinator (RMAC). OCSD requested the California National Guard (CNG) 9th Civil Support Team (CST) to assist with the security of the Orange County Marathon which will be held on 05/16/18. CNG 9th CST accepted the mission. Mission Ongoing.
- 2018-LAW-46158, 04/10/18, 1403 hours: Mendocino County Sheriff's Office (MCSO) requested SAR mutual aid regarding a missing family of 4, whose vehicle is believed to have gone into the South Fork of the Eel River, North of Legget, on 04/06/18. Southern Humboldt County Technical Rescue accepted the mission. Cal OES Law Enforcement Duty Officer (LDO) facilitated a request to the CNG so they can do a feasibility analysis of the area to further assist in prepping for this mission, should they be able to support it, as conditions become suitable for additional assets to search for the missing vehicle and family. Update: 04/11/18, 0830 hours, Humboldt County Sheriff's Office (HCSO) boat and team with a side scan sonar requested. HCSO accepted the mission to attempt to locate the vehicle as the water is muddy. Update: 04/11/18, 1457 hours, MCSO requested an airship from CNG (Lakota (UH-72) or Blackhawk) to assist them on Friday, 04/13/18, to search the area. CNG was working on the request. Update: 04/12/18, CNG was unable to fill the request for 04/13/18, the same mission was requested of CNG for Monday, 04/16/18. CHP continued to assist MCSO with air operations. Update: 04/13/18, One victim was located approximately 12 miles downstream from the collision site. MCSO requested an additional swift water team to assist in the search efforts. The request is for Tuesday 04/17/18. Mission Ongoing.

Cal OES MISSION TASKING

Cal OES Missions

- 2018-FIRE-46175: Cal OES Fire & Rescue Branch has mission tasked 9 National Guard Aircraft for training purposes (2018 Interagency Military Helicopter Training) with CAL FIRE for 04/14/18 and 04/15/18.
- 2018-IREOC-45244: Caltrans to remove dead and dying trees along highways in Kern, Tulare, Fresno, Madera, Mariposa, Tuolumne, Calaveras, Butte, Plumas, Sierra, Shasta, and Lassen counties. (On Scene Long-term assignment)
- 2017-SOC-44098: CalRecycle Debris Management Team in Ventura County (Coordinating)
- 2017-SOC-43821: DTSC to remove household hazardous waste from over 500 residential lots in Ventura County (On Scene)
- 2017-Inland-42559: Weather station installed to gather real time rainfall data by Air Resources Control Board (On Scene)

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
